The musical score consists of two staves. The first staff begins with the tempo marking "quickly" and the chord "G". The melody is written in a treble clef with a key signature of one sharp (F#). The second staff begins with the tempo marking "moderate, follow singers" and the chord "A7". The melody continues in the same treble clef and key signature. Above the second staff, the chords "D", "A7", "D", and "A" are indicated. The piece concludes with a double bar line. A first ending bracket spans the final two measures of the first staff, with "1." and "2. rit." written below it.

# MAKEDONSKO DEVOJČE

*Macedonia*

Makedonsko devojče, kitka šarena,  
Vo gradina nabrana, dar podarena.

Dali ima n'ovoj beli svet  
Poubavo devojče od makedonče?  
Nema, nema, ne će se rodi  
Poubavo devojče od makedonče.

Nema dzvezdi polični od tvoite oči,  
Da se no će na nebo, den će razdeni.

Koga kosi raspletiš kako koprina,  
Lična si i polična od samovila.

Koga pesna zapee, slavej natpee,  
Koga oro zaigra, srce razigra.

Macedonian girl, a colorful bouquet, gathered in a garden, given as a gift.  
Is there anything in this wide world more beautiful than a Macedonian girl?  
No, no, there never shall be born anyone more beautiful than a Macedonian girl.  
There are no stars more beautiful than your eyes- if a shadow should fall across the sky, you make  
the day brightly shine through. When you unbraid your hair it is like silk; you are as beautiful and  
even more beautiful than a fairy maiden.  
When she sings a song, she outsings the nightingale; when she begins to dance, my heart jumps  
for joy.

VOCAL in G - Men's chorus - Sing 1 or 2 octaves lower.

VOCAL in G - Men's chorus - Sing 1 or 2 octaves lower.

VOCAL in D - Women's chorus first time; mixed chorus on repeat.

VOCAL in D - Women's chorus first time; mixed chorus on repeat.

PATTERN: Play 4x as written

This transcription omits the sophisticated choral parts often heard on this piece. If you want some of the sense of build-up provided by choral arrangements, without getting too "fancy", try this:

Men singing the top line of the Vocal in G hold their final note A (either as a steady drone or singing the words), while the women sing in the key of D. At the end of the first Vocal in D, some of the women join with the men in continuing to hold the note A, while the rest of the singers repeat the Vocal in D. Only a few strong voices are needed on the A-drone; be sure to leave enough voices on the melody and harmony too!
