1. Petlite pejat na samnuvanje,
pušti me, bela Mitro da si joda,
pušti me, jagne Mitro da si joda.
Našite petli, otvečer ni pejat,
postoj mi, milo libe poleži,
pogledaj carni oči Mitrini.

2. Kokoškite krekat, mene mi se dremi,
pušti me, bela Mitro da si joda,
pušti me, jagne Mitro da si joda.
Našite kokoški, otvečer ni krekat
postoj mi, milo libe počekaj,
poljubi, belo lice Mitrino.

3. Konite tropat, dârvari mi odat,
pušti me, bela Mitro da si joda,
pušti me jagne Mitro da si joda.
Našite dârvari, otvečer ni odat,
postoj mi, milo libe poleži,
pregârni, tenka snaga Mitrina.
